Heating / Air Conditioning Maintenance Plan

Even in a new home, your furnace and air conditioner needs to be serviced annually to ensure safe operation & energy efficiency, and to keep the manufacturers warranty valid.

Starting at
\$7⁰⁰
 per month
 each
 — OR —
\$12⁰⁰
 per month
 for both

The plan includes:

- ★ One comprehensive annual performance tune-up and safety inspection on either one furnace and hot water heater, or one central air conditioner
- ★ Scheduling at a time that's convenient for you
- ★ Replacement of thermocouple if needed (up to \$90 value; heating plan only)

To enroll just mail the reply card below, or call our office at 1-800-838-9175

Yes, please enroll me in the plans I have selected below.

The monthly amount will be conveniently debited from my checking account.
